

CLERK: Continued roll call vote. 20 ayes, 22 nays, Mr. President.

SENATOR SAVAGE: The motion fails. Senator Barnett asked to raise the Call. All in favor vote aye. Opposed vote nay. Motion to raise the Call. Record.

CLERK: 25 ayes, 4 nays to raise the Call, Mr. President.

SENATOR SAVAGE: What do you want to do with the bill, Senator Schmit? Senator DeCamp.

SENATOR DeCAMP: Mr. President, I'd ask unanimous consent to lay the bill over till Monday. I would advise those that voted against the last lay over that some new difficulties have been discovered. The business community, that strongly supports this legislation in one form or another, is in sentiment with laying this over until we can get some things straightened out, if that will help. So I'd ask unanimous consent to lay it over till Monday and we can kind of find out where we are.

SENATOR SAVAGE: Is there an objection? Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature, I have no objection to laying the bill over until Monday, providing that those individuals who are interested in the bill will read the amendment which I have placed upon the Clerk's desk, and which I ask to be printed in the Journal. If you have any suggestions about that amendment then I hope you contact me prior to Monday morning on this floor. Otherwise I'm going to fight for that amendment that I proposed there. I suggest also, as I repeated earlier, that either we are going to find some middle ground, or we're going to wind up getting nothing. I'm not in the position, at this time, to count votes again. The tally is all mixed up. There are some strange compromises on this floor, and some strange alignments. I would hope that you'll take a look at that amendment. If you have any suggestions at all let me know about it before Monday morning and I'll try to work them out. But I hope that business and labor can get together on this and try to make some improvement in the present unemployment compensation law for the benefit of both.

SENATOR SAVAGE: The question is unanimous consent. Is there an objection? Senator Newell.

SENATOR NEWELL: Before I object, I would hope that the Clerk could read the amendment. It's not possible? The Schmit amendment?

SENATOR SAVAGE: Are you objecting, Senator Newell?

SENATOR NEWELL: No.

SENATOR SAVAGE: Senator Fitzgerald, are you objecting? Senator Duis.

SENATOR DUIS: Mr. President, I just wanted to check with Senator Schmit. I believe Senator Schmit said workman's compensation. I think you meant unemployment compensation. Is that correct? So we'll know what we're doing. Thank you.

SENATOR SAVAGE: So far I have heard no objection. It is so ordered. The bill will be laid over till Monday. Now take up LB 534 by the Banking Committee.
